- (a) Agenda packages for prior twenty-four (24) months and next meeting;

- (f) Adopted disclosure of public financing;
- (g) Limited Offering Memorandum for each financing undertaken by the District;
- (h) Proceedings, certificates, bonds given by all employees, and any and all corporate acts;
- (i) District policies and rules;
- (j) Fiscal year end audits; and

The District Manager shall ensure that each District records office contains the documents required by Florida law.

- (2) Public Records. District public records include, but are not limited to, all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received in connection with the transaction of official business of the District. All District public records not otherwise restricted by law may be copied or inspected at the District Manager's office during regular business hours. Certain District records can also be inspected and copied at the District's local records office during regular business hours. All written public records requests shall be directed to the Secretary who by these rules

is appointed as the District's records custodian. Regardless of the form of the request, any Board member or staff member who receives a public records request shall immediately forward or communicate such request to the Secretary for coordination of a prompt response. The Secretary, after consulting with District Counsel as to the applicability of any exceptions under the public records laws, shall be responsible for responding to the public records request. At no time can the District be required to create records or summaries of records, or prepare opinions regarding District policies, in response to a public records request.

- (3) Service Contracts. Any contract for services, regardless of cost, shall include provisions required by law that require the contractor to comply with public records laws. The District Manager shall be responsible for initially enforcing all contract provisions related to a contractor's duty to comply with public records laws.
- (4) Fees; Copies. Copies of public records shall be made available to the requesting person at a charge of \$0.15 per page for one-sided copies and \$0.20 per page for two-sided copies if not more than 8 ½ by 14 inches. For copies of public records in excess of the sizes listed in this section and for outside duplication services, the charge shall be equal to the actual cost of reproduction. Certified copies of public records shall be made available at a charge of one dollar (\$1.00) per page. If the nature or volume of records requested requires extensive use of information technology resources or extensive clerical or supervisory assistance, the District may charge, in addition to the duplication charge, a special service charge that is based on the cost the District incurs to produce the records requested. This charge may include, but is not limited to, the cost of information technology resource, employee labor, and fees charged to the District by consultants employed in fulfilling the request. In cases where the special service charge is based in whole or in part on the costs incurred by the District due to employee labor, consultant fees, or other forms of labor, those portions of the charge shall be calculated based on the lowest labor cost of the individual(s) who is/are qualified to perform the labor, taking into account the nature ~~and~~ volume of the public records to be inspected or copied. The charge may include the labor costs of supervisory and/or clerical staff whose assistance is required to complete the records request, in accordance with Florida law. For purposes of this Rule, the word "extensive" shall mean that it will take more than 15 minutes to locate, review for confidential information, copy and re-file the requested material. In cases where extensive personnel time is determined by the District to be necessary to safeguard original records being inspected, the special service charge provided for in this section shall apply. If the total fees, including but not limited to special service charges, are anticipated to exceed twenty-five dollars (\$25.00), then, prior to commencing work on the request, the District will inform the person making the public records request of the estimated cost, with the understanding that the final cost may vary from that estimate. If the person making the public records request decides to proceed with the request, payment of the estimated cost is required in advance. Should the person fail to pay the estimate, the District is under no duty to produce the requested records. After the request has been fulfilled, additional payments or credits may be

due. The District is under no duty to produce records in response to future records requests if the person making the request owes the District for past unpaid duplication charges, special service charges, or other required payments or credits.

- (5) Records Retention. The Secretary of the District shall be responsible for retaining the District's records in accordance with applicable Florida law.

The Coordinator shall provide this list to the Commission by February 1 of each year, which list shall be current as of December 31 of the prior year. Each Supervisor and Reporting Individual shall promptly notify the Coordinator in writing if there are any changes to such person's name, e-mail address, or physical address. In order to comply with Sections 190.033(1) through (3), 287.055 and 287.017 of the Florida Statutes, the following provisions shall apply to the purchase of Professional Services, insurance, construction contracts, design-build services, goods, supplies, and materials, Contractual Services, and maintenance services.
- (2) Board Authorization. Except in cases of an Emergency Purchase, a competitive purchase governed by these Rules shall only be undertaken after authorization by the Board.
- (3) Definitions.
 - (a) “Competitive Solicitation” means a formal, advertised procurement process, other than an Invitation to Bid, Request for Proposals, or Invitation to Negotiate, approved by the Board to purchase commodities and/or services which affords vendors fair treatment in the competition for award of a District purchase contract.
 - (b) “Continuing Contract” means a contract for Professional Services entered into in accordance with Section 287.055 of the Florida Statutes, between the District and a firm, whereby the firm provides Professional Services to the District for projects in which the costs do not exceed two million dollars (\$2,000,000), for a study activity when the fee for such Professional Services to the District does not exceed two hundred thousand dollars (\$200,000), or for work of a specified nature as outlined in the contract with the District, with no time limitation except that the contract must provide a termination clause (for example, a contract for general District engineering services). Firms providing Professional Services under Continuing Contracts shall not be required to bid against one another.
 - (c) “Contractual Service” means the rendering by a contractor of its time and effort rather than the furnishing of specific commodities. The term applies only to those services rendered by individuals and firms who are independent contractors. Contractual Services do not include auditing services, Maintenance Services, or Professional Services as defined in Section 287.055(2)(a) of the Florida Statutes, and these Rules. Contractual Services also do not include any contract for the furnishing of labor or materials for the construction, renovation, repair, modification, or demolition of any facility, building, portion of building, utility, park, parking lot, or structure or other improvement to real property entered into pursuant to Chapter 255 of the Florida Statutes, and Rules 3.5 or 3.6.
 - (d) “Design-Build Contract” means a single contract with a Design-Build Firm for the design and construction of a public construction project.

- (e) “Design-Build Firm” means a partnership, corporation or other legal entity that:
 - (i) Is certified under Section 489.119 of the Florida Statutes, to engage in contracting through a certified or registered general contractor or a certified or registered building contractor as the qualifying agent; or

- (f) “Design Criteria Package” means concise, performance-oriented drawings or specifications for a public construction project. The purpose of the Design Criteria Package is to furnish sufficient information to permit Design-Build Firms to prepare a bid or a response to the District’s Request for Proposals, or to permit the District to enter into a negotiated Design-Build Contract. The Design Criteria Package must specify performance-based criteria for the public construction project, including the legal description of the site, survey information concerning the site, interior space requirements, material quality standards, schematic layouts and conceptual design criteria of the project, cost or budget estimates, design and construction schedules, site development requirements, provisions for utilities, stormwater retention and disposal, and parking requirements applicable to the project. Design Criteria Packages shall require firms to submit information regarding the qualifications, availability, and past work of the firms, including the partners and members thereof.
- (g) “Design Criteria Professional” means a firm who holds a current certificate of registration under Chapter 481 of the Florida Statutes, to practice architecture or landscape architecture, or a firm who holds a current certificate as a registered engineer under Chapter 471 of the Florida Statutes, to practice engineering, and who is employed by or under contract to the District to provide professional architect services, landscape architect services, or engineering services in connection with the preparation of the Design Criteria Package.
- (h) “Emergency Purchase” means a purchase necessitated by a sudden unexpected turn of events (for example, acts of God, riot, fires, floods, hurricanes, accidents, or any circumstances or cause beyond the control of the Board in the normal conduct of its business), where the Board finds that the delay incident to competitive purchase would be detrimental to the interests of the District. This includes, but is not limited to, instances where

the time to competitively award the project will jeopardize the funding for the project, will materially increase the cost of the project, or will create an undue hardship on the public health, safety, or welfare.

- (i) “Invitation to Bid” is a written or electronically posted solicitation for sealed bids with the title, date, and hour of the public bid opening designated specifically and defining the commodity or service involved. It includes printed instructions prescribing conditions for bidding, qualification, evaluation criteria, and provides for a manual signature of an authorized representative. It may include one or more bid alternates.
- (j) “Invitation to Negotiate” means a written or electronically posted solicitation for competitive sealed replies to select one or more vendors with which to commence negotiations for the procurement of commodities or services.
- (k) “Negotiate” means to conduct legitimate, arm’s length discussions and conferences to reach an agreement on a term or price.
- (l) “Professional Services” means those services within the scope of the practice of architecture, professional engineering, landscape architecture, or registered surveying and mapping, as defined by the laws of Florida, or those services performed by any architect, professional engineer, landscape architect, or registered surveyor and mapper, in connection with the firm's or individual's professional employment or practice.
- (m) “Proposal (or Reply or Response) Most Advantageous to the District” means, as determined in the sole discretion of the Board, the proposal, reply, or response that is:
 - (i) Submitted by a person or firm capable and qualified in all respects to perform fully the contract requirements, who has the integrity and reliability to assure good faith performance;
 - (ii) The most responsive to the Request for Proposals, Invitation to Negotiate, or Competitive Solicitation as determined by the Board; and
 - (iii) For a cost to the District deemed by the Board to be reasonable.
- (n) “Purchase” means acquisition by sale, rent, lease, lease/purchase, or installment sale. It does not include transfer, sale, or exchange of goods, supplies, or materials between the District and any federal, state, regional or local governmental entity or political subdivision of the State of Florida.

- (o) “Request for Proposals” or “RFP” is a written or electronically posted solicitation for sealed proposals with the title, date, and hour of the public opening designated and requiring the manual signature of an authorized representative. It may provide general information, applicable laws and rules, statement of work, functional or general specifications, qualifications, proposal instructions, work detail analysis, and evaluation criteria as necessary.
- (p) “Responsive and Responsible Bidder” means an entity or individual that has submitted a bid that conforms in all material respects to the Invitation to Bid and has the capability in all respects to fully perform the contract requirements and the integrity and reliability that will assure good faith performance. “Responsive and Responsible Vendor” means an entity or individual that has submitted a proposal, reply, or response that conforms in all material respects to the Request for Proposals, Invitation to Negotiate, or Competitive Solicitation and has the capability in all respects to fully perform the contract requirements and the integrity and reliability that will assure good faith performance. In determining whether an entity or individual is a Responsive and Responsible Bidder (or Vendor), the District may consider, in addition to factors described in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, the following:
 - (i) The ability and adequacy of the professional personnel employed by the entity/individual;
 - (ii) The past performance of the entity/individual for the District and in other professional employment;
 - (iii) The willingness of the entity/individual to meet time and budget requirements;
 - (iv) The geographic location of the entity’s/individual’s headquarters or office in relation to the project;
 - (v) The recent, current, and projected workloads of the entity/individual;
 - (vi) The volume of work previously awarded to the entity/individual, provided that for a public works project as defined in Section 255.0992, Florida Statutes, the District may not penalize a bidder for performing a larger volume of construction work for the District or reward a bidder for performing a smaller volume of construction work for the District;

(vii) Whether the cost components of the bid or proposal are appropriately balanced; and

(viii) Whether the entity/individual is a certified minority business enterprise as defined in Section 287.0943, *Florida Statutes*.

(q) “Responsive Bid,” “Responsive Proposal,” “Responsive Reply,” and “Responsive Response” all mean a bid, proposal, reply, or response which conforms in all material respects to the specifications and conditions in the Invitation to Bid, Request for Proposals, Invitations to Negotiate, or Competitive Solicitation document and these Rules, and the cost components of which, if any, are appropriately balanced. A bid, proposal, reply or response is not responsive if the person or firm submitting it fails to meet any material requirement relating to the qualifications, financial stability, or licensing of the bidder.

Rule 3.1 Procedure Under the Consultants' Competitive Negotiations Act.

- (1) Scope. The following procedures are adopted for the selection of firms or individuals to provide Professional Services exceeding the thresholds herein described, for the negotiation of such contracts, and to provide for protest of actions of the Board under this Rule. As used in this Rule, "Project" means that fixed capital outlay study or planning activity when basic construction cost is estimated by the District to exceed the threshold amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FIVE, or for a planning study activity when the fee for Professional Services is estimated by the District to exceed the threshold amount provided in Section 287.017 for CATEGORY TWO, as such categories may be amended or adjusted from time to time.
- (2) Qualifying Procedures. In order to be eligible to provide Professional Services to the District, a consultant must, at the time of receipt of the firm's qualification submittal:
 - (a) Hold all required applicable state professional licenses in good standing;
 - (b) Hold all required applicable federal licenses in good standing, if any;
 - (c) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the consultant is a corporation; and
 - (d) Meet any qualification requirements set forth in the District's Request for Qualifications.

Evidence of compliance with this Rule may be submitted with the qualifications, if requested by the District. In addition, evidence of compliance must be submitted any time requested by the District.

- (3) Public Announcement. Except in cases of valid public emergencies as certified by the Board, the District shall announce each occasion when Professional Services are required for a Project or a Continuing Contract by publishing a notice providing a general description of the Project, or the nature of the Continuing Contract, and the method for interested consultants to apply for consideration. The notice shall appear in at least one (1) newspaper of general circulation in the District and in such other places as the District deems appropriate. The notice must allow at least fourteen (14) days for submittal of qualifications from the date of publication. The District may maintain lists of consultants interested in receiving such notices. These consultants are encouraged to submit annually statements of qualifications and performance data. The District shall make reasonable efforts to provide copies of any notices to such consultants, but the failure to do so shall not give such consultants any bid protest or other rights or otherwise disqualify any otherwise valid procurement process. The Board has the right to reject any and all

qualifications, and such reservation shall be included in the published notice. Consultants not receiving a contract award shall not be entitled to recover from the District any costs of qualification package preparation or submittal.

(4) Competitive Selection.

- (a) The Board shall review and evaluate the data submitted in response to the notice described in section (3) of this Rule regarding qualifications and performance ability, as well as any statements of qualifications on file. The Board shall conduct discussions with, and may require public presentation by consultants regarding their qualifications, approach to the Project, and ability to furnish the required services. The Board shall then select and list the consultants, in order of preference, deemed to be the most highly capable and qualified to perform the required Professional Services, after considering these and other appropriate criteria:
 - (i) The ability and adequacy of the professional personnel employed by each consultant;
 - (ii) Whether a consultant is a certified minority business enterprise;
 - (iii) Each consultant's past performance;
 - (iv) The willingness of each consultant to meet time and budget requirements;
 - (v) The geographic location of each consultant's headquarters, office and personnel in relation to the project;
 - (vi) The recent, current, and projected workloads of each consultant; and
 - (vii) The volume of work previously awarded to each consultant by the District.
- (b) Nothing in these Rules shall prevent the District from evaluating and eventually selecting a consultant if less than three (3) Responsive qualification packages, including packages indicating a desire not to provide Professional Services on a given Project, are received.
- (c) If the selection process is administered by any person or committee other than the full Board, the selection made will be presented to the full Board with a recommendation that competitive negotiations be instituted with the selected firms in order of preference listed.
- (d) Notice of the rankings adopted by the Board, including the rejection of some or all qualification packages, shall be provided in writing to all consultants

by United States Mail, hand delivery, ~~email~~ electronic mail, ~~facsimile~~, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's ranking decisions under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

(5) Competitive Negotiation.

- (a) After the Board has authorized the beginning of competitive negotiations, the District may begin such negotiations with the firm listed as most qualified to perform the required Professional Services at a rate or amount of compensation which the Board determines is fair, competitive, and reasonable.
- (b) In negotiating a lump-sum or cost-plus-a-fixed-fee professional contract for more than the threshold amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FOUR, the firm receiving the award shall be required to execute a truth-in-negotiation certificate stating that "wage rates and other factual unit costs supporting the compensation are accurate, complete and current at the time of contracting." In addition, any professional service contract under which such a certificate is required, shall contain a provision that "the original contract price and any additions thereto, shall be adjusted to exclude any significant sums by which the Board determines the contract price was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs."
- (c) Should the District be unable to negotiate a satisfactory agreement with the firm determined to be the most qualified at a price deemed by the District to be fair, competitive, and reasonable, then negotiations with that firm shall be terminated and the District shall immediately begin negotiations with the second most qualified firm. If a satisfactory agreement with the second firm cannot be reached, those negotiations shall be terminated and negotiations with the third most qualified firm shall be undertaken.
- (d) Should the District be unable to negotiate a satisfactory agreement with one of the top three (3) ranked consultants, additional firms shall be selected by the District, in order of their competence and qualifications. Negotiations shall continue, beginning with the first-named firm on the list, until an agreement is reached or the list of firms is exhausted.

(6) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.

- (7) Continuing Contract. Nothing in this Rule shall prohibit a Continuing Contract between a consultant and the District.
- (8) Emergency Purchase. The District may make an Emergency Purchase without complying with these Rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

Rule 3.2 Procedure Regarding Auditor Selection.

In order to comply with the requirements of Section 218.391 of the Florida Statutes, the following procedures are outlined for selection of firms or individuals to provide Auditing Services and for the negotiation of such contracts. For audits required under Chapter 190 of the Florida Statutes but not meeting the thresholds of Chapter 218 of the Florida Statutes, the District need not follow these procedures but may proceed with the selection of a firm or individual to provide Auditing Services and for the negotiation of such contracts in the manner the Board determines is in the best interests of the District.

(1) Definitions.

- (a) "Auditing Services" means those services within the scope of the practice of a certified public accounting firm licensed under Chapter 473 of the Florida Statutes, and qualified to conduct audits in accordance with government auditing standards as adopted by the Florida Board of Accountancy.
- (b) "Committee" means the auditor selection committee appointed by the Board as described in section (2) of this Rule.

(2) Establishment of Auditor Selection Committee. Prior to a public announcement under section (4) of this Rule that Auditing Services are required, the Board shall establish an auditor selection committee ("Committee"), the primary purpose of which is to assist the Board in selecting an auditor to conduct the annual financial audit required by Section 218.39 of the Florida Statutes. The Committee shall include at least three individuals, at least one of which must also be a member of the Board. The establishment and selection of the Committee must be conducted at a publicly noticed and held meeting of the Board. The Chairperson of the Committee must be a member of the Board. An employee, a chief executive officer, or a chief financial officer of the District may not serve as a member of the Committee; provided however such individual may serve the Committee in an advisory capacity.

(3) Establishment of Minimum Qualifications and Evaluation Criteria. Prior to a public announcement under section (4) of this Rule that Auditing Services are required, the Committee shall meet at a publicly noticed meeting to establish minimum qualifications and factors to use for the evaluation of Auditing Services to be provided by a certified public accounting firm licensed under Chapter 473 of the Florida Statutes, and qualified to conduct audits in accordance with government auditing standards as adopted by the Florida Board of Accountancy.

- (a) Minimum Qualifications. In order to be eligible to submit a proposal, a firm must, at all relevant times including the time of receipt of the proposal by the District:

- (i) Hold all required applicable state professional licenses in good standing;
- (ii) Hold all required applicable federal licenses in good standing, if any;
- (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the proposer is a corporation; and
- (iv) Meet any pre-qualification requirements established by the Committee and set forth in the RFP or other specifications.

If requested in the RFP or other specifications, evidence of compliance with the minimum qualifications as established by the Committee must be submitted with the proposal.

- (b) **Evaluation Criteria.** The factors established for the evaluation of Auditing Services by the Committee shall include, but are not limited to:
 - (i) Ability of personnel;
 - (ii) Experience;
 - (iii) Ability to furnish the required services; and
 - (iv) Such other factors as may be determined by the Committee to be applicable to its particular requirements.

The Committee may also choose to consider compensation as a factor. If the Committee establishes compensation as one of the factors, compensation shall not be the sole or predominant factor used to evaluate proposals.

- (4) **Public Announcement.** After identifying the factors to be used in evaluating the proposals for Auditing Services as set forth in section (3) of this Rule, the Committee shall publicly announce the opportunity to provide Auditing Services. Such public announcement shall include a brief description of the audit and how interested firms can apply for consideration and obtain the RFP. The notice shall appear in at least one (1) newspaper of general circulation in the District and the county in which the District is located. The public announcement shall allow for at least seven (7) days for the submission of proposals.
- (5) **Request for Proposals.** The Committee shall provide interested firms with a Request for Proposals (“RFP”). The RFP shall provide information on how proposals are to be evaluated and such other information the Committee determines is necessary for the firm to prepare a proposal. The RFP shall state the time and

place for submitting proposals.

- (6) Committee's Evaluation of Proposals and Recommendation. The Committee shall meet at a publicly held meeting that is publicly noticed ~~at least seven (7) days~~~~for a reasonable time~~ in advance of the meeting to evaluate all qualified proposals and may, as part of the evaluation, require that each interested firm provide a public presentation where the Committee may conduct discussions with the firm, and where the firm may present information, regarding the firm's qualifications. At the public meeting, the Committee shall rank and recommend in order of preference no fewer than three firms deemed to be the most highly qualified to perform the required services after considering the factors established pursuant to subsection (3)(b) of this Rule. If fewer than three firms respond to the RFP or if no firms respond to the RFP, the Committee shall recommend such firm as it deems to be the most highly qualified. Notwithstanding the foregoing, the Committee may recommend that any and all proposals be rejected.
- (7) Board Selection of Auditor.
- (a) Where compensation was not selected as a factor used in evaluating the proposals, the Board shall negotiate with the firm ranked first and inquire of that firm as to the basis of compensation. If the Board is unable to negotiate a satisfactory agreement with the first ranked firm at a price deemed by the Board to be fair, competitive, and reasonable, then negotiations with that firm shall be terminated and the Board shall immediately begin negotiations with the second ranked firm. If a satisfactory agreement with the second ranked firm cannot be reached, those negotiations shall be terminated and negotiations with the third ranked firm shall be undertaken. The Board may reopen formal negotiations with any one of the three top-ranked firms, but it may not negotiate with more than one firm at a time. If the Board is unable to negotiate a satisfactory agreement with any of the selected firms, the Committee shall recommend additional firms in order of the firms' respective competence and qualifications. Negotiations shall continue, beginning with the first-named firm on the list, until an agreement is reached or the list of firms is exhausted.
- (b) Where compensation was selected as a factor used in evaluating the proposals, the Board shall select the highest-ranked qualified firm or document in its public records the reason for not selecting the highest-ranked qualified firm.
- (c) In negotiations with firms under this Rule, the Board may allow the District Manager, District Counsel, or other designee to conduct negotiations on its behalf.

- (d) Notwithstanding the foregoing, the Board may reject any or all proposals. The Board shall not consider any proposal, or enter into any contract for Auditing Services, unless the proposed agreed-upon compensation is reasonable to satisfy the requirements of Section 218.39 of the Florida Statutes, and the needs of the District.
- (8) Contract. Any agreement reached under this Rule shall be evidenced by a written contract, which may take the form of an engagement letter signed and executed by both parties. The written contract shall include all provisions and conditions of the procurement of such services and shall include, at a minimum, the following:
- (a) A provision specifying the services to be provided and fees or other compensation for such services;
 - (b) A provision requiring that invoices for fees or other compensation be submitted in sufficient detail to demonstrate compliance with the terms of the contract;
 - (c) A provision setting forth deadlines for the auditor to submit a preliminary draft audit report to the District for review and to submit a final audit report no later than June 30 of the fiscal year that follows the fiscal year for which the audit is being conducted;
 - (d) A provision specifying the contract period, including renewals, and conditions under which the contract may be terminated or renewed. The maximum contract period including renewals shall be five (5) years. A renewal may be done without the use of the auditor selection procedures provided in this Rule but must be in writing.
 - (e) Provisions required by law that require the auditor to comply with public records laws.
- (9) Notice of Award. Once a negotiated agreement with a firm or individual is reached, or the Board authorizes the execution of an agreement with a firm where compensation was a factor in the evaluation of proposals, notice of the intent to award, including the rejection of some or all proposals, shall be provided in writing to all proposers by United States Mail, hand delivery, electronic mail, ~~faesimile~~, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests regarding the award of contracts under this Rule shall be as provided for in Rule 3.11. No proposer shall be entitled to recover any costs of proposal preparation or submittal from the District.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Rule 3.3 Purchase of Insurance.

- (1) Scope. The purchases of life, health, accident, hospitalization, legal expense, or annuity insurance, or all of any kinds of such insurance for the officers and employees of the District, and for health, accident, hospitalization, and legal expenses upon a group insurance plan by the District, shall be governed by this Rule. This Rule does not apply to the purchase of any other type of insurance by the District, including but not limited to liability insurance, property insurance, and directors and officers insurance. Nothing in this Rule shall require the District to purchase insurance.
- (2) Procedure. For a purchase of insurance within the scope of these Rules, the following procedure shall be followed:
 - (a) The Board shall cause to be prepared a Notice of Invitation to Bid.
 - (b) Notice of the Invitation to Bid shall be advertised at least once in a newspaper of general circulation within the District. The notice shall allow at least fourteen (14) days for submittal of bids.
 - (c) The District may maintain a list of persons interested in receiving notices of Invitations to Bid. The District shall make reasonable efforts to provide copies of any notices to such persons, but the failure to do so shall not give such consultants any bid protest or other rights or otherwise disqualify any otherwise valid procurement process.
 - (d) Bids shall be opened at the time and place noted in the Invitation to Bid.
 - (e) If only one (1) response to an Invitation is received, the District may proceed with the purchase. If no response to an Invitation to Bid is received, the District may take whatever steps are reasonably necessary in order to proceed with the purchase.
 - (f) The Board has the right to reject any and all bids and such reservations shall be included in all solicitations and advertisements.
 - (g) Simultaneously with the review of the submitted bids, the District may undertake negotiations with those companies that have submitted reasonable and timely bids and, in the opinion of the District, are fully qualified and capable of meeting all services and requirements. Bid responses shall be evaluated in accordance with the specifications and criteria contained in the Invitation to Bid; in addition, the total cost to the District, the cost, if any, to the District officers, employees, or their dependents, relevant business presence and capability to service the geographic location of the company's headquarters and offices in relation to the District's needs, and the ability of the company to guarantee premium

stability may be considered. A contract to purchase insurance shall be awarded to that company whose response to the Invitation to Bid best meets the overall needs of the District, its officers, employees, and/or dependents.

- (h) Notice of the intent to award, including rejection of some or all bids, shall be provided in writing to all bidders by United States Mail, by hand delivery, or by overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's procurement of insurance under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: § 112.08, Fla. Stat.

Rule 3.4 Pre-qualification

- (1) Scope. In its discretion, the District may undertake a pre-qualification process in accordance with this Rule for vendors to provide construction services, goods, supplies, and materials, Contractual Services, and maintenance services.
- (2) Procedure. When the District seeks to pre-qualify vendors, the following procedures shall apply:
 - (a) The Board shall cause to be prepared a Request for Qualifications.
 - (b) For construction services exceeding the thresholds described in Section 255.20 of the Florida Statutes, the Board must advertise the proposed prequalification criteria and procedures and allow at least seven (7) days' notice of the public hearing for comments on such pre-qualification criteria and procedures. At such public hearing, potential vendors may object to such pre-qualification criteria and procedures. Following such public hearing, the Board shall formally adopt pre-qualification criteria and procedures prior to the advertisement of the Request for Qualifications for construction services.
 - (c) The Request for Qualifications shall be advertised at least once in a newspaper of general circulation within the District and within the county in which the District is located. The notice shall allow at least seven (7) days for submittal of qualifications for goods, supplies and materials, Contractual Services, maintenance services, and construction services under two hundred fifty thousand dollars (\$250,000). The notice shall allow at least twenty-one (21) days for submittal of qualifications for construction services estimated to cost over two hundred fifty thousand dollars (\$250,000) and thirty (30) days for construction services estimated to cost over five hundred thousand dollars (\$500,000).
 - (d) The District may maintain lists of persons interested in receiving notices of Requests for Qualifications. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, or hand delivery, ~~or facsimile~~, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any pre-qualification determination or contract awarded in accordance with these Rules and shall not be a basis for a protest of any pre-qualification determination or contract award.
 - (e) If the District has pre-qualified vendors for a particular category of purchase, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies or responses in response to the applicable Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

- (f) In order to be eligible to submit qualifications, a firm or individual must, at the time of receipt of the qualifications:
 - (i) Hold all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;
 - (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the vendor is a corporation; and
 - (iv) Meet any special pre-qualification requirements set forth in the Request for Qualifications.

Evidence of compliance with these Rules must be submitted with the qualifications if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the qualifications.

- (g) Qualifications shall be presented to the Board, or a committee appointed by the Board, for evaluation in accordance with the Request for Qualifications and this Rule. Minor variations in the qualifications may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature.
- (h) All vendors determined by the District to meet the pre-qualification requirements shall be pre-qualified. To assure full understanding of the responsiveness to the requirements contained in a Request for Qualifications, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion and revision of qualifications. For construction services, any contractor pre-qualified and considered eligible by the Department of Transportation to bid to perform the type of work the project entails shall be presumed to be qualified to perform the project.
- (i) The Board shall have the right to reject all qualifications if there are not enough to be competitive or if rejection is determined to be in the best interest of the District. No vendor shall be entitled to recover any costs of qualification preparation or submittal from the District.
- (j) Notice of intent to pre-qualify, including rejection of some or all qualifications, shall be provided in writing to all vendors by United States Mail, electronic mail, hand delivery, ~~facsimile~~, or overnight delivery service. The notice

shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's pre-qualification decisions under this Rule shall be in accordance with the procedures set forth in Rule 3.11; provided however, protests related to the pre-qualification criteria and procedures for construction services shall be resolved in accordance with section (2)(b) of this Rule and Section 255.20(1)(b) of the Florida Statutes.

(3) Suspension, Revocation, or Denial of Qualification

(a) The District, for good cause, may deny, suspend, or revoke a prequalified vendor's pre-qualified status. A suspension, revocation, or denial for good cause shall prohibit the vendor from bidding on any District construction contract for which qualification is required, shall constitute a determination of non-responsibility to bid on any other District construction or maintenance contract, and shall prohibit the vendor from acting as a material supplier or subcontractor on any District contract or project during the period of suspension, revocation, or denial. Good cause shall include the following:

- i. One of the circumstances specified under Section 337.16(2), *Florida Statutes*, has occurred.
- ii. Affiliated contractors submitted more than one proposal for the same work. In this event the pre-qualified status of all of the affiliated bidders will be revoked, suspended, or denied. All bids of affiliated bidders will be rejected.
- iii. The vendor made or submitted false, deceptive, or fraudulent statements, certifications, or materials in any claim for payment or any information required by any District contract.
- iv. The vendor or its affiliate defaulted on any contract or a contract surety assumed control of financial responsibility for any contract of the vendor.
- v. The vendor's qualification to bid is suspended, revoked, or denied by any other public or semi-public entity, or the vendor has been the subject of a civil enforcement proceeding or settlement involving a public or semi-public entity.
- vi. The vendor failed to comply with contract or warranty requirements or failed to follow District direction in the performance of a contract.
- vii. The vendor failed to timely furnish all contract documents required by the contract specifications, special provisions, or by any state or federal statutes or regulations. If the vendor fails to furnish any of the subject contract documents by the expiration of the period of suspension,

revocation, or denial set forth above, the vendor's pre-qualified status shall remain suspended, revoked, or denied until the documents are furnished.

- viii. The vendor failed to notify the District within 10 days of the vendor, or any of its affiliates, being declared in default or otherwise not completing work on a contract or being suspended from qualification to bid or denied qualification to bid by any other public or semi-public agency.
 - ix. The vendor did not pay its subcontractors or suppliers in a timely manner or in compliance with contract documents.
 - x. The vendor has demonstrated instances of poor or unsatisfactory performance, deficient management resulting in project delay, poor quality workmanship, a history of payment of liquidated damages, untimely completion of projects, uncooperative attitude, contract litigation, inflated claims or defaults.
 - xi. An affiliate of the vendor has previously been determined by the District to be non-responsible, and the specified period of suspension, revocation, denial, or non-responsibility remains in effect.
 - xii. The vendor or affiliate(s) has been convicted of a contract crime.
 - 1. The term "contract crime" means any violation of state or federal antitrust laws with respect to a public contract or any violation of any state or federal law involving fraud, bribery, collusion, conspiracy, or material misrepresentation with respect to a public contract.
 - 2. The term "convicted" or "conviction" means a finding of guilt or a conviction of a contract crime, with or without an adjudication of guilt, in any federal or state trial court of record as a result of a jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.
 - xiii. Any other circumstance constituting "good cause" under Section 337.16(2), *Florida Statutes*, exists.
- (b) The pre-qualified status of a contractor found delinquent under Section 337.16(1), *Florida Statutes*, shall be denied, suspended, or revoked. A denial, suspension, or revocation shall prohibit the vendor from being a subcontractor on District work during the period of denial, suspension, or revocation, except when a prime contractor's bid has used prices of a subcontractor who becomes disqualified after the bid, but before the request for authorization to sublet is presented.

- (c) The District shall inform the vendor in writing of its intent to deny, suspend, or revoke its pre-qualified status and inform the vendor of its right to a hearing, the procedure which must be followed, and the applicable time limits. If a hearing is requested within ten (10) days after the receipt of the notice of intent, the hearing shall be held within thirty (30) days after receipt by the District of the request for the hearing. The decision shall be issued in writing within fifteen (15) business days after the hearing.
- (d) Such suspension or revocation shall not affect the vendor's obligations under any preexisting contract.
- (e) If a contractor's pre-qualified status is revoked, suspended, or denied and the contractor receives an additional period of revocation, suspension, or denial of its pre-qualified status, the time periods will run consecutively.
- (f) In the case of contract crimes, the vendor's pre-qualified status under this Rule shall be revoked indefinitely. For all violations of Rule 3.4(3)(a) other than for the vendor's conviction for contract crimes, the revocation, denial, or suspension of a vendor's pre-qualified status under this Rule shall be for a specific period of time based on the seriousness of the deficiency.

Examples of factors affecting the seriousness of a deficiency are:

- i. Impacts on project schedule, cost, or quality of work;
 - ii. Unsafe conditions allowed to exist;
 - iii. Complaints from the public;
 - iv. Delay or interference with the bidding process;
 - v. The potential for repetition;
 - vi. Integrity of the public contracting process;
 - vii. Effect on the health, safety, and welfare of the public.
- (g) The District shall deny or revoke the pre-qualified status of any contractor and its affiliates for a period of 36 months when it is determined by the District that the contractor has, subsequent to January 1, 1978, been convicted of a contract crime within the jurisdiction of any state or federal court. Any such contractor shall not act as a prime contractor, material supplier, subcontractor, or consultant on any District contract or project during the period of denial or revocation.

(4) Reapplication and Reinstatement

- (a) A contractor whose qualification to bid has been revoked or denied because of

contract crime may, at any time after revocation or denial, file a petition for reapplication or reinstatement. However, a contractor may not petition for reapplication or reinstatement for a period of 24 months after revocation or denial for a subsequent conviction occurring within 10 years of a previous denial or revocation for contract crime.

- (b) If the petition for reapplication or reinstatement is denied, the contractor cannot petition for a subsequent hearing for a period of nine months following the date of the final order of revocation or denial.
- (c) If the petition for reapplication or reinstatement is granted, the contractor must file a current Application for Qualification with the Contracts Administration Office. Reinstatement shall not be effective until issuance of a Certificate of Qualification.

(5) Emergency Suspension and Revocation

- (a) The District may summarily issue an emergency suspension of a contractor's qualification to bid if it finds that imminent danger exists to the public health, safety, or welfare.
- (b) The written notice of emergency suspension shall state the specific facts and reasons for finding an imminent danger to the public health, safety, or welfare exists.
- (c) The District, within 10 days of the emergency suspension, shall initiate formal suspension or revocation proceedings in compliance with Rule 3.4(3), except the 10-day notice requirement shall not be construed to prevent a hearing at the earliest time practicable upon request of the aggrieved party.

Law Implemented: §§ 190.033, 255.0525, 255.20, Fla. Stat.; §§ 14-22.012, 14-22.0121, 14-22.014, Fla. Admin. Code.

Rule 3.5 Construction Contracts, Not Design-Build.

- (1) Scope. All contracts for the construction or improvement of any building, structure, or other public construction works authorized by Chapter 190 of the Florida Statutes, the costs of which are estimated by the District in accordance with generally accepted cost accounting principles to be in excess of the threshold amount for applicability of Section 255.20 of the Florida Statutes, as that amount may be indexed or amended from time to time, shall be let under the terms of these Rules and the procedures of Section 255.20 of the Florida Statutes, as the same may be amended from time to time. A project shall not be divided solely to avoid the threshold bidding requirements.
- (2) Procedure. When a purchase of construction services is within the scope of this Rule, the following procedures shall apply:
 - (a) The Board shall cause to be prepared an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.
 - (b) Notice of the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be advertised at least once in a newspaper of general circulation in the District and in the county in which the District is located. The notice shall also include the amount of the bid bond, if one is required. The notice shall allow at least twenty-one (21) days for submittal of sealed bids, proposals, replies, or responses, unless the Board, for good cause, determines a shorter period of time is appropriate. Any project projected to cost more than five hundred thousand dollars (\$500,000) must be noticed at least thirty (30) days prior to the date for submittal of bids, proposals, replies, or responses. If the Board has previously pre-qualified contractors pursuant to Rule 3.4 and determined that only the contractors that have been pre-qualified will be permitted to submit bids, proposals, replies, and responses, the Notice of Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation need not be published. Instead, the Notice of Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be sent to the pre-qualified contractors by United States Mail, electronic mail, hand delivery, ~~faesimile~~, or overnight delivery service.
 - (c) The District may maintain lists of persons interested in receiving notices of Invitations to Bid, Requests for Proposals, Invitations to Negotiate, and Competitive Solicitations. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, or hand delivery, ~~or faesimile~~, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.

- (d) If the District has pre-qualified providers of construction services, then, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies, or responses to Invitations to Bid, Requests for Proposals, Invitations to Negotiate, and Competitive Solicitations.
- (e) In order to be eligible to submit a bid, proposal, reply, or response, a firm or individual must, at the time of receipt of the bids, proposals, replies, or responses:
 - (i) Hold all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;
 - (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the bidder is a corporation; and
 - (iv) Meet any special pre-qualification requirements set forth in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

Any contractor that has been found guilty by a court of competent jurisdiction of any violation of federal labor or employment tax laws regarding subjects including but not limited to, reemployment assistance, safety, tax withholding, worker's compensation, unemployment tax, social security and Medicare tax, wage or hour, or prevailing rate laws within the past five (5) years ~~shall be deemed~~ may be considered ineligible by the District to submit a bid, response, or proposal for a District project.

Evidence of compliance with these Rules must be submitted with the bid, proposal, reply, or response, if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the bid, proposal, reply, or response.

- (f) Bids, proposals, replies, and responses, or the portions of which that include the price, shall be publicly opened at a meeting noticed in accordance with Rule 1.3, and at which at least one district representative is present. The name of each bidder and the price submitted in the bid shall be announced at such meeting and shall be made available upon request. Minutes should be taken at the meeting and maintained by the District. Bids, proposals, replies, and responses shall be evaluated in accordance with the respective Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation and these Rules. Minor variations in the bids,

proposals, replies, or responses may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature. Mistakes in arithmetic extension of pricing may be corrected by the Board, provided such corrections do not result in a material change to the bid amount or create an unfair advantage. Bids and proposals may not be modified or supplemented after opening; provided however, additional information may be requested and/or provided to evidence compliance, make non-material modifications, clarifications, or supplementations, and as otherwise permitted by Florida law.

- (g) The lowest Responsive Bid submitted by a Responsive and Responsible Bidder in response to an Invitation to Bid shall be accepted. In relation to a Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, the Board shall select the Responsive Proposal, Reply, or Response submitted by a Responsive and Responsible Vendor which is most advantageous to the District. To assure full understanding of the responsiveness to the solicitation requirements contained in a Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion, preparation, and revision of bids, proposals, replies, and responses.
- (h) The Board shall have the right to reject all bids, proposals, replies, or responses because they exceed the amount of funds budgeted for the purchase, if there are not enough to be competitive, or if rejection is determined to be in the best interest of the District. No contractor shall be entitled to recover any costs of bid, proposal, response, or reply preparation or submittal from the District.
- (i) The Board may require potential contractors to furnish bid bonds, performance bonds, and/or other bonds with a responsible surety to be approved by the Board.
- (j) Notice of intent to award, including rejection of some or all bids, proposals, replies, or responses, shall be provided in writing to all contractors by United States Mail, electronic mail, hand delivery, ~~faesimile~~, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's purchase of construction services under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

- (k) If less than three (3) Responsive Bids, Proposals, Replies, or Responses are received, the District may purchase construction services or may reject the bids, proposals, replies, or responses for a lack of competitiveness. If no Responsive Bid, Proposal, Reply, or Response is received, the District may proceed with the procurement of construction services, in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the construction services without further competitive selection processes.
- (3) Sole Source; Government. Construction services that are only available from a single source are exempt from this Rule. Construction services provided by governmental agencies are exempt from this Rule. This Rule shall not apply to the purchase of construction services, which may include goods, supplies, or materials, that are purchased under a federal, state, or local government contract that has been competitively procured by such federal, state, or local government in a manner consistent with the material procurement requirements of these Rules. A contract for construction services is exempt from this Rule if state or federal law prescribes with whom the District must contract or if the rate of payment is established during the appropriation process.
- (4) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.
- (5) Emergency Purchases. The District may make an Emergency Purchase without complying with these rules: only when there exists an immediate and serious need for construction services that cannot be met through normal procurement methods and the lack of such services would seriously threaten: (i) the District's ability to perform essential services; (ii) the preservation or protection of property or improvements; or (iii) the health, safety, or welfare of any person. The fact that an Emergency Purchase has occurred or is necessary, along with a detailed description of the basis for the emergency determination, shall be noted in the minutes of the next Board Meeting.
- (6) Exceptions. This Rule is inapplicable when:
- (a) The project is undertaken as repair or maintenance of an existing public facility;
 - (b) The funding source of the project will be diminished or lost because the time required to competitively award the project after the funds become available exceeds the time within which the funding source must be spent;
 - (c) The District has competitively awarded a project and the contractor has abandoned the project or the District has terminated the contract; or

- (d) The District, after public notice, conducts a public meeting under Section 286.011 of the Florida Statutes, and finds by a majority vote of the Board that it is in the public's best interest to perform the project using its own services, employees, and equipment.

Law Implemented: §§ 119.0701, 189.053, 190.033, 255.0518, 255.0525, 255.20, 287.055, Fla. Stat.

Rule 3.6 Construction Contracts, Design-Build.

- (1) Scope. The District may utilize Design-Build Contracts for any public construction project for which the Board determines that use of such contract is in the best interest of the District. When letting a Design-Build Contract, the District shall use the following procedure:
- (2) Procedure.
 - (a) The District shall utilize a Design Criteria Professional meeting the requirements of Section 287.055(2)(k) of the Florida Statutes, when developing a Design Criteria Package, evaluating the proposals and qualifications submitted by Design-Build Firms, and determining compliance of the project construction with the Design Criteria Package. The Design Criteria Professional may be an employee of the District, may be the District Engineer selected by the District pursuant to Section 287.055 of the Florida Statutes, or may be retained pursuant to Rule 3.1. The Design Criteria Professional is not eligible to render services under a Design-Build Contract executed pursuant to the Design Criteria Package.
 - (b) A Design Criteria Package for the construction project shall be prepared and sealed by the Design Criteria Professional. If the project utilizes existing plans, the Design Criteria Professional shall create a Design Criteria Package by supplementing the plans with project specific requirements, if any.
 - (c) The Board may either choose to award the Design-Build Contract pursuant to the competitive proposal selection process set forth in Section 287.055(9) of the Florida Statutes, or pursuant to the qualifications-based selection process pursuant to Rule 3.1.
 - (i) Qualifications-Based Selection. If the process set forth in Rule 3.1 is utilized, subsequent to competitive negotiations, a guaranteed maximum price and guaranteed completion date shall be established.

(ii) Competitive Proposal-Based Selection. If the competitive proposal selection process is utilized, the Board, in consultation with the Design Criteria Professional, shall establish the criteria, standards and procedures for the evaluation of Design-Build Proposals based on price, technical, and design aspects of the project, weighted for the project. After a Design Criteria Package and the standards and procedures for evaluation of proposals have been developed, competitive proposals from qualified firms shall be solicited pursuant to the design criteria by the following procedure:

1. A Request for Proposals shall be advertised at least once in a newspaper of general circulation in the county in which the District is located. The notice shall allow at least twenty-one (21) days for submittal of sealed proposals, unless the Board, for good cause, determines a shorter period of time is appropriate. Any project projected to cost more than five hundred thousand dollars (\$500,000) must be noticed at least thirty (30) days prior to the date for submittal of proposals.
2. The District may maintain lists of persons interested in receiving notices of Requests for Proposals. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, or hand delivery, ~~or facsimile~~, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.
3. In order to be eligible to submit a proposal, a firm must, at the time of receipt of the proposals:
 - a. Hold the required applicable state professional licenses in good standing, as defined by Section 287.055(2)(h) of the Florida Statutes;
 - b. Hold all required applicable federal licenses in good standing, if any;
 - c. Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the proposer is a corporation;

- d. Meet any special pre-qualification requirements set forth in the Request for Proposals and Design Criteria Package.

Any contractor that has been found guilty by a court of any violation of federal labor or employment tax laws regarding subjects including but not limited to reemployment assistance, safety, tax withholding, worker's compensation, unemployment tax, social security and Medicare tax, wage or hour, or prevailing rate laws within the past five (5) years may be considered ineligible by the District to submit a bid, response, or proposal for a District project.

Evidence of compliance with these Rules must be submitted with the proposal if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the proposal.

4. The proposals, or the portions of which that include the price, shall be publicly opened at a meeting noticed in accordance with Rule 1.3, and at which at least one district representative is present. The name of each bidder and the price submitted in the bid shall be announced at such meeting and shall be made available upon request. Minutes should be taken at the meeting and maintained by the District. In consultation with the Design Criteria Professional, the Board shall evaluate the proposals received based on evaluation criteria and procedures established prior to the solicitation of proposals, including but not limited to qualifications, availability, and past work of the firms and the partners and members thereof. The Board shall then select no fewer than three (3) Design-Build Firms as the most qualified.
5. The Board shall have the right to reject all proposals if the proposals are too high, or rejection is determined to be in the best interest of the District. No vendor shall be entitled to recover any costs of proposal preparation or submittal from the District.
6. If less than three (3) Responsive Proposals are received, the District may purchase design-build services or may reject the proposals for lack of competitiveness. If no Responsive Proposals are received, the District may proceed with the procurement of design-build services in the manner the Board determines is in the best interests of the District,

which may include but is not limited to a direct purchase of the design-build services without further competitive selection processes.

7. Notice of the rankings adopted by the Board, including the rejection of some or all proposals, shall be provided in writing to all consultants by United States Mail, hand delivery, ~~faesimile,~~ electronic mail, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's rankings under this Rule shall be in accordance with the procedures set forth in Rule 3.11.
8. The Board shall negotiate a contract with the firm ranking the highest based on the evaluation standards and shall establish a price which the Board determines is fair, competitive and reasonable. Should the Board be unable to negotiate a satisfactory contract with the firm considered to be the most qualified at a price considered by the Board to be fair, competitive, and reasonable, negotiations with that firm must be terminated. The Board shall then undertake negotiations with the second most qualified firm, based on the ranking by the evaluation standards. Should the Board be unable to negotiate a satisfactory contract with the firm considered to be the second most qualified at a price considered by the Board to be fair, competitive, and reasonable, negotiations with that firm must be terminated. The Board shall then undertake negotiations with the third most qualified firm. Should the Board be unable to negotiate a satisfactory contract with the firm considered to be the third most qualified at a price considered by the Board to be fair, competitive, and reasonable, negotiations with that firm must be terminated. Should the Board be unable to negotiate a satisfactory contract with any of the selected firms, the Board shall select additional firms in order of their rankings based on the evaluation standards and continue negotiations until an agreement is reached or the list of firms is exhausted.
9. After the Board contracts with a firm, the firm shall bring to the Board for approval, detailed working drawings of the project.

10. The Design Criteria Professional shall evaluate the compliance of the detailed working drawings and project construction with the Design Criteria Package and shall provide the Board with a report of the same.
- (3) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.
- (4) Emergency Purchase. The Board may, in case of public emergency, declare an emergency and immediately proceed with negotiations with the best qualified Design-Build Firm available at the time. The fact that an Emergency Purchase has occurred shall be noted in the minutes of the next Board meeting.
- (5) Exceptions. This Rule is inapplicable when:
- (a) The project is undertaken as repair or maintenance of an existing public facility;
 - (b) The funding source of the project will be diminished or lost because the time required to competitively award the project after the funds become available exceeds the time within which the funding source must be spent;
 - (c) The District has competitively awarded a project and the contractor has abandoned the project or the District has terminated the contractor; or
 - (d) The District, after public notice, conducts a public meeting under Section 286.011 of the Florida Statutes, and finds by a majority vote of the Board that it is in the public's best interest to perform the project using its own services, employees, and equipment.

Law Implemented: §§ 119.0701, 189.053, 190.033, 255.0518, 255.0525, 255.20, 287.055, Fla. Stat.

Rule 3.7 Payment and Performance Bonds.

- (1) Scope. This Rule shall apply to contracts for the construction of a public building, for the prosecution and completion of a public work, or for repairs upon a public building or public work and shall be construed in addition to terms prescribed by any other Rule that may also apply to such contracts.
- (2) Required Bond. Upon entering into a contract for any of the services described in section (1) of this Rule in excess of \$200,000, the Board should require that the contractor, before commencing the work, execute and record a payment and performance bond in an amount equal to the contract price. Notwithstanding the terms of the contract or any other law, the District may not make payment to the contractor until the contractor has provided to the District a certified copy of the recorded bond.
- (3) Discretionary Bond. At the discretion of the Board, upon entering into a contract for any of the services described in section (1) of this Rule for an amount not exceeding \$200,000, the contractor may be exempted from executing a payment and performance bond.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: § 255.05, Fla. Stat.

Rule 3.8 Goods, Supplies, and Materials.

- (1) Purpose and Scope. All purchases of goods, supplies, or materials exceeding the amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FOUR, shall be purchased under the terms of this Rule. Contracts for purchases of “goods, supplies, and materials” do not include printing, insurance, advertising, or legal notices. A contract involving goods, supplies, or materials plus maintenance services may, in the discretion of the Board, be treated as a contract for maintenance services. However, a purchase shall not be divided solely in order to avoid the threshold bidding requirements.
- (2) Procedure. When a purchase of goods, supplies, or materials is within the scope of this Rule, the following procedures shall apply:
 - (a) The Board shall cause to be prepared an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.
 - (b) Notice of the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be advertised at least once in a newspaper of general circulation within the District and within the county in which the District is located. The notice shall also include the amount of the bid bond, if one is required. The notice shall allow at least seven (7) days for submittal of bids, proposals, replies, or responses.
 - (c) The District may maintain lists of persons interested in receiving notices of Invitations to Bid, Requests for Proposals, Invitations to Negotiate, or Competitive Solicitations. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, or hand delivery, ~~or facsimile~~, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.
 - (d) If the District has pre-qualified suppliers of goods, supplies, and materials, then, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies, or responses.
 - (e) In order to be eligible to submit a bid, proposal, reply, or response, a firm or individual must, at the time of receipt of the bids, proposals, replies, or responses:
 - (i) Hold all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;

- (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the vendor is a corporation; and
- (iv) Meet any special pre-qualification requirements set forth in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

Evidence of compliance with these Rules must be submitted with the bid, proposal, reply or response if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the bid, proposal, reply, or response.

Any firm or individual whose principal place of business is outside the State of Florida must also submit a written opinion of an attorney at law licensed to practice law in that foreign state, as to the preferences, if any or none, granted by the law of that foreign state to business entities whose principal places of business are in that foreign state, in the letting of any or all public contracts. Failure to submit such a written opinion or submission of a false or misleading written opinion may be grounds for rejection of the bid, proposal, reply, or response.

- (f) Bids, proposals, replies, and responses shall be publicly opened at the time and place noted on the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation. Bids, proposals, replies, and responses shall be evaluated in accordance with the respective Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, and this Rule. Minor variations in the bids, proposals, replies, or responses may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature. Mistakes in arithmetic extension of pricing may be corrected by the Board. Bids and proposals may not be modified or supplemented after opening; provided however, additional information may be requested and/or provided to evidence compliance, make non-material modifications, clarifications, or supplementations, and as otherwise permitted by Florida law.
- (g) The lowest Responsive Bid, after taking into account the preferences provided for in this subsection, submitted by a Responsive and Responsible Bidder in response to an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be accepted. If the lowest Responsive Bid is submitted by a Responsive and Responsible Bidder whose principal place of business is located in a foreign state which does not grant a preference in competitive purchase to businesses whose principal place of business are in that foreign state, the lowest Responsive and Responsible Bidder whose principal place of business is in the State of

Florida shall be awarded a preference of five percent (5%). If the lowest Responsive Bid is submitted by a Responsive and Responsible Bidder whose principal place of business is located in a foreign state which grants a preference in competitive purchase to businesses whose principal place of business are in that foreign state, the lowest Responsible and Responsive Bidder whose principal place of business is in the State of Florida shall be awarded a preference equal to the preference granted by such foreign state.

To assure full understanding of the responsiveness to the solicitation requirements contained in an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion, preparation, and revision of bids, proposals, replies, and responses.

- (h) The Board shall have the right to reject all bids, proposals, replies, or responses because they exceed the amount of funds budgeted for the purchase, if there are not enough to be competitive, or if rejection is determined to be in the best interest of the District. No vendor shall be entitled to recover any costs of bid, proposal, reply, or response preparation or submittal from the District.
- (i) The Board may require bidders and proposers to furnish bid bonds, performance bonds, and/or other bonds with a responsible surety to be approved by the Board.
- (j) Notice of intent to award, including rejection of some or all bids, proposals, replies, or responses shall be provided in writing to all vendors by United States Mail, electronic mail, hand delivery, ~~facsimile~~, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's purchase of goods, supplies, and materials under this Rule shall be in accordance with the procedures set forth in Rule 3.11.
- (k) If less than three (3) Responsive Bids, Proposals, Replies, or Responses are received, the District may purchase goods, supplies, or materials, or may reject the bids, proposals, replies, or responses for a lack of competitiveness. If no Responsive Bid, Proposal, Reply, or Response is received, the District may proceed with the procurement of goods, supplies, and materials, in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the goods, supplies, and materials without further competitive selection processes.

- (3) Goods, Supplies, and Materials included in a Construction Contract Awarded Pursuant to Rule 3.5 or 3.6. There may be occasions where the District has undergone the competitive purchase of construction services which contract may include the provision of goods, supplies, or materials. In that instance, the District may approve a change order to the contract and directly purchase the goods, supplies, and materials. Such purchase of goods, supplies, and materials deducted from a competitively purchased construction contract shall be exempt from this Rule.
- (4) Exemption. Goods, supplies, and materials that are only available from a single source are exempt from this Rule. Goods, supplies, and materials provided by governmental agencies are exempt from this Rule. A contract for goods, supplies, or materials is exempt from this Rule if state or federal law prescribes with whom the District must contract or if the rate of payment is established during the appropriation process. This Rule shall not apply to the purchase of goods, supplies or materials that are purchased under a federal, state, or local government contract that has been competitively procured by such federal, state, or local government in a manner consistent with the material procurement requirements of these Rules.
- (5) Renewal. Contracts for the purchase of goods, supplies, and/or materials subject to this Rule may be renewed for a maximum period of five (5) years.
- (6) Emergency Purchases. The District may make an Emergency Purchase without complying with these rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 189.053, 190.033, 287.017, 287.084, Fla. Stat.

Rule 3.9 Maintenance Services.

- (1) Scope. All contracts for maintenance of any District facility or project shall be set under the terms of this Rule if the cost exceeds the amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FOUR. A contract involving goods, supplies, and materials plus maintenance services may, in the discretion of the Board, be treated as a contract for maintenance services. However, a purchase shall not be divided solely in order to avoid the threshold bidding requirements.
- (2) Procedure. When a purchase of maintenance services is within the scope of this Rule, the following procedures shall apply:
 - (a) The Board shall cause to be prepared an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.
 - (b) Notice of the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be advertised at least once in a newspaper of general circulation within the District and within the county in which the District is located. The notice shall also include the amount of the bid bond, if one is required. The notice shall allow at least seven (7) days for submittal of bids, proposals, replies, or responses.
 - (c) The District may maintain lists of persons interested in receiving notices of Invitations to Bid, Requests for Proposals, Invitations to Negotiate, and Competitive Solicitations. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, or hand delivery, ~~or facsimile~~, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.
 - (d) If the District has pre-qualified suppliers of maintenance services, then, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies, and responses.
 - (e) In order to be eligible to submit a bid, proposal, reply, or response, a firm or individual must, at the time of receipt of the bids, proposals, replies, or responses:
 - (i) Hold all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;

- (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the vendor is a corporation; and
- (iv) Meet any special pre-qualification requirements set forth in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

Evidence of compliance with these Rules must be submitted with the bid, proposal, reply, or response if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the bid, proposal, reply, or response.

- (f) Bids, proposals, replies, and responses shall be publicly opened at the time and place noted on the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation. Bids, proposals, replies, and responses shall be evaluated in accordance with the respective Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, and these Rules. Minor variations in the bids, proposals, replies, and responses may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature. Mistakes in arithmetic extension of pricing may be corrected by the Board. Bids and proposals may not be modified or supplemented after opening; provided however, additional information may be requested and/or provided to evidence compliance, make non-material modifications, clarifications, or supplementations, and as otherwise permitted by Florida law.
- (g) The lowest Responsive Bid submitted in response to an Invitation to Bid by a Responsive and Responsible Bidder shall be accepted. In relation to a Request for Proposals, Invitation to Negotiate or Competitive Solicitation the Board shall select the Responsive Proposal, Reply, or Response submitted by a Responsive and Responsible Vendor which is most advantageous to the District. To assure full understanding of the responsiveness to the solicitation requirements contained in a Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion, preparation, and revision of bids, proposals, replies, or responses.
- (h) The Board shall have the right to reject all bids, proposals, replies, or responses because they exceed the amount of funds budgeted for the purchase, if there are not enough to be competitive, or if rejection is determined to be in the best interest of the District. No Vendor shall be

entitled to recover any costs of bid, proposal, reply, or response preparation or submittal from the District.

- (i) The Board may require bidders and proposers to furnish bid bonds, performance bonds, and/or other bonds with a responsible surety to be approved by the Board.
 - (j) Notice of intent to award, including rejection of some or all bids, proposals, replies, or responses shall be provided in writing to all vendors by United States Mail, electronic mail, hand delivery, ~~faesimile~~, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's procurement of maintenance services under this Rule shall be in accordance with the procedures set forth in Rule 3.11.
 - (k) If less than three (3) Responsive Bids, Proposals, Replies, or Responses are received, the District may purchase the maintenance services or may reject the bids, proposals, replies, or responses for a lack of competitiveness. If no Responsive Bid, Proposal, Reply, or Response is received, the District may proceed with the procurement of maintenance services, in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the maintenance services without further competitive selection processes.
- (3) Exemptions. Maintenance services that are only available from a single source are exempt from this Rule. Maintenance services provided by governmental agencies are exempt from this Rule. A contract for maintenance services is exempt from this Rule if state or federal law prescribes with whom the District must contract or if the rate of payment is established during the appropriation process.
 - (4) Renewal. Contracts for the purchase of maintenance services subject to this Rule may be renewed for a maximum period of five (5) years.
 - (5) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.
 - (6) Emergency Purchases. The District may make an Emergency Purchase without complying with these rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

Specific Authority: §§ 190.011(5), 190.011(15), 190.033, Fla. Stat.

Law Implemented: §§ 119.0701, 190.033, 287.017, Fla. Stat.

Rule 3.10 Contractual Services.

- (1) Exemption from Competitive Purchase. Pursuant to Section 190.033(3) of the Florida Statutes, Contractual Services shall not be subject to competitive purchasing requirements. If an agreement is predominantly for Contractual Services, but also includes maintenance services or the purchase of goods and services, the contract shall not be subject to competitive purchasing requirements. Regardless of whether an advertisement or solicitation for Contractual Services is identified as an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, no rights or remedies under these Rules, including but not limited to protest rights, are conferred on persons, firms, or vendors proposing to provide Contractual Services to the District.
- (2) Contracts; Public Records. In accordance with Florida law, each contract for Contractual Services shall include provisions required by law that require the contractor to comply with public records laws.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 119.0701, 190.011(3), 190.033, Fla. Stat.

Rule 3.11 Protests with Respect to Proceedings under Rules 3.1, 3.2, 3.3, 3.4, 3.5, 3.6, 3.8, and 3.9.

The resolution of any protests with respect to proceedings under Rules 3.1, 3.2, 3.3, 3.4, 3.5, 3.6, 3.8, and 3.9 shall be in accordance with this Rule.

(1) Filing.

- (a) With respect to a protest regarding qualifications, specifications, documentation, or other requirements contained in a Request for Qualifications, Request for Proposals, Invitation to Bid, or Competitive Solicitation issued by the District, the notice of protest shall be filed in writing within seventy-two (72) calendar hours (excluding Saturdays, Sundays, and state holidays) after the first advertisement of the Request for Qualifications, Request for Proposals, Invitation to Bid, or Competitive Solicitation. A formal protest setting forth with particularity the facts and law upon which the protest is based shall be filed within seven (7) calendar days (including Saturdays, Sundays, and state holidays) after the initial notice of protest was filed. For purposes of this Rule, wherever applicable, filing will be perfected and deemed to have occurred upon receipt by the District. Failure to file a notice of protest shall constitute a waiver of all rights to protest the District's intended decision. Failure to file a formal written protest shall constitute an abandonment of the protest proceedings and shall automatically terminate the protest proceedings.
- (b) Except for those situations covered by subsection (1)(a) of this Rule, any firm or person who is affected adversely by a District's ranking or intended award under Rules 3.1, 3.2, 3.3, 3.4, 3.5, 3.6, 3.8, or 3.9 and desires to contest the District's ranking or intended award, shall file with the District a written notice of protest within seventy-two (72) calendar hours (excluding Saturdays, Sundays, and state holidays) after receipt of the notice of the District's ranking or intended award. A formal protest setting forth with particularity the facts and law upon which the protest is based shall be filed within seven (7) calendar days (including Saturdays, Sundays, and state holidays) after the initial notice of protest was filed. For purposes of this Rule, wherever applicable, filing will be perfected and deemed to have occurred upon receipt by the District. Failure to file a notice of protest shall constitute a waiver of all rights to protest the District's ranking or intended award. Failure to file a formal written protest shall constitute an abandonment of the protest proceedings and shall automatically terminate the protest proceedings.
- (c) If the requirement for the posting of a protest bond and the amount of the protest bond, which may be expressed by a percentage of the contract to be awarded or a set amount, is disclosed in the District's competitive solicitation documents for a particular purchase under Rules 3.1, 3.2, 3.3,

3.4, 3.5, 3.6, 3.8, or 3.9, any person who files a notice of protest must post the protest bond. The amount of the protest bond shall be determined by District staff after consultation with the Board and within the limits, if any, imposed by Florida law. In the event the protest is successful, the protest bond shall be refunded to the protestor. In the event the protest is unsuccessful, the protest bond shall be applied towards the District's costs, expenses, and attorney's fees associated with hearing and defending the protest. In the event the protest is settled by mutual agreement of the parties, the protest bond shall be distributed as agreed to by the District and protestor.

- (d) The District does not accept documents filed by electronic mail or facsimile transmission. Filings are only accepted during normal business hours, which are 9:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays.
- (2) Contract Execution. Upon receipt of a notice of protest which has been timely filed, the District shall not execute the contract under protest until the subject of the protest is resolved. However, if the District sets forth in writing particular facts and circumstances showing that delay incident to protest proceedings will jeopardize the funding for the project, will materially increase the cost of the project, or will create an immediate and serious danger to the public health, safety, or welfare, the contract may be executed.
- (3) Informal Proceeding. If the Board determines a protest does not involve a disputed issue of material fact, the Board may, but is not obligated to, schedule an informal proceeding to consider the protest. Such informal proceeding shall be at a time and place determined by the Board. Notice of such proceeding shall be sent via certified mail, facsimile, hand delivery, or email with delivery confirmation ~~United States Mail, or hand delivery~~ to the protestor and any substantially affected persons or parties not less than three (3) calendar days prior to such informal proceeding. Within thirty (30) calendar days following the informal proceeding, the Board shall issue a written decision setting forth the factual, legal, and policy grounds for its decision.
- (4) Formal Proceeding. If the Board determines a protest involves disputed issues of material fact or if the Board elects not to use the informal proceeding process provided for in section (3) of this Rule, the District shall schedule a formal hearing to resolve the protest. The Chairperson shall designate any member of the Board (including the Chairperson), District Manager, District Counsel, or other qualified person as a hearing officer to conduct the hearing. The hearing officer may:
 - (a) Administer oaths and affirmations;
 - (b) Rule upon offers of proof and receive relevant evidence;
 - (c) Regulate the course of the hearing, including any pre-hearing matters;

(d) Enter orders; and

(e) Make or receive offers of settlement, stipulation, and adjustment.

The hearing officer shall, within thirty (30) days after the hearing or receipt of the hearing transcript, whichever is later, file a recommended order which shall include a caption, time and place of hearing, appearances entered at the hearing, statement of the issues, findings of fact and conclusions of law, separately stated, and a recommendation for final District action. The District shall allow each party fifteen (15) calendar days from receipt of the recommended order in which to submit written exceptions to the recommended order. The District shall issue a final order within sixty (60) days after the filing of the recommended order.

(5) Intervenors. Other substantially affected persons may join the proceedings as intervenors by filing a motion to intervene within 10 calendar days of the initial protest filing, on ~~on~~-appropriate terms ~~that~~which shall not unduly delay the proceedings.

(6) Rejection of all Qualifications, Bids, Proposals, Replies and Responses after Receipt of Notice of Protest. If the Board determines there was a violation of law, defect, or an irregularity in the competitive solicitation process, the Bids, Proposals, Replies, and Responses are too high, or if the Board determines it is otherwise in the District's best interest, the Board may reject all qualifications, bids, proposals, replies, and responses and start the competitive solicitation process anew. If the Board decides to reject all qualifications, bids, proposals, replies, and responses and start the competitive solicitation process anew, any pending protests shall automatically terminate.

(7) Settlement. Nothing herein shall preclude the settlement of any protest under this Rule at any time.

Re: \$5,875,000 East 547 Community Development District (City of Davenport, Florida), Special
Assessment Bonds, Series 2021 (Assessment Area One Project)

Dear Ms. Costa:

AMTEC has prepared certain computations relating to the above referenced bond issue (the “Bonds”) at the request of the East 547 Community Development District (the “District”).

The scope of our engagement consisted of preparing the computations shown in the attached schedules to determine the Rebtable Arbitrage as described in Section 103 of the Internal Revenue Code of 1954, Section 148(f) of the Internal Revenue Code of 1986, as amended (the "Code"), and all applicable Regulations issued thereunder. The methodology used is consistent with current tax law and regulations and may be relied upon in determining the rebate liability. Certain computational methods used in the preparation of the schedules are described in the Summary of Computational Information and Definitions.

Our engagement was limited to the computation of Rebtable Arbitrage based upon the information furnished to us by the District. In accordance with the terms of our engagement, we did not audit the information provided to us, and we express no opinion as to the completeness, accuracy or suitability of such information for purposes of calculating the Rebtable Arbitrage.

We have scheduled our next Report as of June 30, 2026. Thank you and should you have any questions, please do not hesitate to contact us.

Very truly yours,

Michael J. Scarfo
Senior Vice President

Assistant Vice President

SUMMARY OF COMPUTATIONAL INFORMATION AND DEFINITIONS

COMPUTATIONAL INFORMATION

1. For purposes of computing Rebatale Arbitrage, investment activity is reflected from June 15, 2021, the date of the closing, to July 31, 2025, the Computation Period. All nonpurpose payments and receipts are future valued to the Computation Date of June 15, 2029.
2. Computations of yield are based on a 360-day year and semiannual compounding on the last day of each compounding interval. Compounding intervals end on a day in the calendar year corresponding to Bond maturity dates or six months prior.
3. For investment cash flow, debt service and yield computation purposes, all payments and receipts are assumed to be paid or received respectively, as shown on the attached schedules.
4. Purchase prices on investments are assumed to be at fair market value, representing an arm's length transaction.
5. During the period between June 15, 2021 and July 31, 2025, the District made periodic payments into the Debt Service Fund that were used, along with the interest earned, to provide the required debt service payments.

Under Section 148(f)(4)(A), the rebate requirement does not apply to amounts in certain bona fide debt service funds. The Regulations define a bona fide debt service fund as one that is used primarily to achieve a proper matching of revenues with principal and interest payments within each bond year. The fund must be depleted at least once each bond year, except for a reasonable carryover amount not to exceed the greater of the earnings on the fund for the immediately preceding bond year or 1/12th of the principal and interest payments on the issue for the immediately preceding bond year.

We have reviewed the Debt Service Fund and have determined that the funds deposited have functioned as a bona fide debt service fund and are not subject to the rebate requirement.

6. In accordance with Page C-2 of the Arbitrage and Tax Certificate, Exhibit C (Arbitrage Rebate Covenants) the first (initial) Computation Date must be within 60 days of the end of the third Bond Year. After the first required payment date (Computation Date) the District must consistently treat either the last day of each Bond Year or the last day of each fifth Bond Year as the (subsequent) Computation Date(s). Therefore, for purposes of the arbitrage calculation, the first Computation Date is July 31, 2025.

DEFINITIONS

7. Computation Date

June 15, 2029.

8. Computation Period

The period beginning on June 15, 2021, the date of the closing, and ending on July 31, 2025.

9. Bond Year

Each one-year period (or shorter period from the date of issue) that ends at the close of business on the day in the calendar year that is selected by the Issuer. If no day is selected by the Issuer before the earlier of the final maturity date of the issue or the date that is five years after the date of issue, each bond year ends at the close of business on the anniversary date of the issuance.

10. Bond Yield

The discount rate that, when used in computing the present value of all the unconditionally payable payments of principal and interest with respect to the Bonds, produces an amount equal to the present value of the issue price of the Bonds. Present value is computed as of the date of issue of the Bonds.

11. Taxable Investment Yield

The discount rate that, when used in computing the present value of all receipts of principal and interest to be received on an investment during the Computation Period, produces an amount equal to the fair market value of the investment at the time it became a nonpurpose investment.

12. Issue Price

The price determined on the basis of the initial offering price at which price a substantial amount of the Bonds was sold.

13. Rebatable Arbitrage

The Code defines the required rebate as the excess of the amount earned on all nonpurpose investments over the amount that would have been earned if such nonpurpose investments were invested at the Bond Yield, plus any income attributable to the excess. Accordingly, the Regulations require that this amount be computed as the excess of the future value of all the nonpurpose receipts over the future value of all the nonpurpose payments. The future value is computed as of the Computation Date using the Bond Yield.

14. Funds and Accounts

The Funds and Accounts activity used in the compilation of this Report was received from the District and US Bank, Trustee, as follows:

Funds / Accounts	Account Number
Revenue Account	268416000
Interest Fund	268416001
Sinking Fund Account	268416002
Debt Service Reserve Fund	268416003
Prepayment Account	268416004
Acquisition & Construction Fund	268416005

METHODOLOGY

Bond Yield

The methodology used to calculate the bond yield was to determine the discount rate that produces the present value of all payments of principal and interest through the maturity date of the Bonds.

Investment Yield and Rebate Amount

The methodology used to calculate the Rebateable Arbitrage, as of July 31, 2025, was to calculate the future value of the disbursements from all funds, subject to rebate, and the value of the remaining bond proceeds, at the yield on the Bonds, to June 15, 2029. This figure was then compared to the future value of the deposit of bond proceeds into the various investment accounts at the same yield. The difference between the future values of the two cash flows, on June 15, 2029, is the Rebateable Arbitrage.

Re: \$7,245,000 East 547 Community Development District (City of Davenport, Florida), Special
Assessment Bonds, Series 2023 (Assessment Area Two Project)

Dear Ms. Costa:

AMTEC has prepared certain computations relating to the above referenced bond issue (the “Bonds”) at the request of the East 547 Community Development District (the “District”).

The scope of our engagement consisted of preparing the computations shown in the attached schedules to determine the Rebatable Arbitrage as described in Section 103 of the Internal Revenue Code of 1954, Section 148(f) of the Internal Revenue Code of 1986, as amended (the "Code"), and all applicable Regulations issued thereunder. The methodology used is consistent with current tax law and regulations and may be relied upon in determining the rebate liability. Certain computational methods used in the preparation of the schedules are described in the Summary of Computational Information and Definitions.

Our engagement was limited to the computation of Rebatable Arbitrage based upon the information furnished to us by the District. In accordance with the terms of our engagement, we did not audit the information provided to us, and we express no opinion as to the completeness, accuracy or suitability of such information for purposes of calculating the Rebatable Arbitrage.

Thank you very much for this engagement and should you have any questions, please do not hesitate to contact us.

Very truly yours,

Michael J. Scarfo
Senior Vice President

SUMMARY OF COMPUTATIONAL INFORMATION AND DEFINITIONS

COMPUTATIONAL INFORMATION

1. For purposes of computing Rebatale Arbitrage, investment activity is reflected from October 12, 2023, the date of the closing, to July 31, 2025, the Computation Period. All nonpurpose payments and receipts are future valued to the Computation Date of October 12, 2028.
2. Computations of yield are based on a 360-day year and semiannual compounding on the last day of each compounding interval. Compounding intervals end on a day in the calendar year corresponding to Bond maturity dates or six months prior.
3. For investment cash flow, debt service and yield computation purposes, all payments and receipts are assumed to be paid or received respectively, as shown on the attached schedules.
4. Purchase prices on investments are assumed to be at fair market value, representing an arm's length transaction.
5. During the period between October 12, 2023 and July 31, 2025, the District made periodic payments into the Debt Service Fund that were used, along with the interest earned, to provide the required debt service payments.

Under Section 148(f)(4)(A), the rebate requirement does not apply to amounts in certain bona fide debt service funds. The Regulations define a bona fide debt service fund as one that is used primarily to achieve a proper matching of revenues with principal and interest payments within each bond year. The fund must be depleted at least once each bond year, except for a reasonable carryover amount not to exceed the greater of the earnings on the fund for the immediately preceding bond year or 1/12th of the principal and interest payments on the issue for the immediately preceding bond year.

We have reviewed the Debt Service Fund and have determined that the funds deposited have functioned as a bona fide debt service fund and are not subject to the rebate requirement.

DEFINITIONS

6. Computation Date

October 12, 2028.

7. Computation Period

The period beginning on October 12, 2023, the date of the closing, and ending on July 31, 2025.

8. Bond Year

Each one-year period (or shorter period from the date of issue) that ends at the close of business on the day in the calendar year that is selected by the Issuer. If no day is selected by the Issuer before the earlier of the final maturity date of the issue or the date that is five years after the date of issue, each bond year ends at the close of business on the anniversary date of the issuance.

9. Bond Yield

The discount rate that, when used in computing the present value of all the unconditionally payable payments of principal and interest with respect to the Bonds, produces an amount equal to the present value of the issue price of the Bonds. Present value is computed as of the date of issue of the Bonds.

10. Taxable Investment Yield

The discount rate that, when used in computing the present value of all receipts of principal and interest to be received on an investment during the Computation Period, produces an amount equal to the fair market value of the investment at the time it became a nonpurpose investment.

11. Issue Price

The price determined on the basis of the initial offering price at which price a substantial amount of the Bonds was sold.

12. Rebatable Arbitrage

The Code defines the required rebate as the excess of the amount earned on all nonpurpose investments over the amount that would have been earned if such nonpurpose investments were invested at the Bond Yield, plus any income attributable to the excess. Accordingly, the Regulations require that this amount be computed as the excess of the future value of all the nonpurpose receipts over the future value of all the nonpurpose payments. The future value is computed as of the Computation Date using the Bond Yield.

13. Funds and Accounts

The Funds and Accounts activity used in the compilation of this Report was received from the District and US Bank, Trustee, as follows:

Funds / Accounts	Account Number
Revenue Account	226453000
Interest Fund	226543001
Sinking Fund Account	226453002
Debt Service Reserve Fund	226453004
Prepayment Account	226453003
Acquisition & Construction Fund	226453005
Costs of Issuance Account	226453006

METHODOLOGY

Bond Yield

The methodology used to calculate the bond yield was to determine the discount rate that produces the present value of all payments of principal and interest through the maturity date of the Bonds.

Investment Yield and Rebate Amount

The methodology used to calculate the Rebatable Arbitrage, as of July 31, 2025, was to calculate the future value of the disbursements from all funds, subject to rebate, and the value of the remaining bond proceeds, at the yield on the Bonds, to October 12, 2028. This figure was then compared to the future value of the deposit of bond proceeds into the various investment accounts at the same yield. The difference between the future values of the two cash flows, on October 12, 2028, is the Rebatable Arbitrage.

Residents may retain their Amenities rights in lieu of granting them to their Renters.

Residents shall be responsible for all charges incurred by their Renters which remain unpaid after the customary billing and collection procedures established by the District. Residents are responsible for the deportment of their respective Renter, including the Renter's adherence to the Amenity Policies.

- (7) **Access Cards.** Access Cards will be issued to each Household at the time they are closing upon property within the District, or upon approval of Non-Resident Patron application and payment of applicable Annual User Fee, or upon verification and approval of Renter designation. Proof of property ownership may be required annually. All Patrons must use their Access Card for entrance to the Amenities. A maximum of two (2) Access Cards will be issued per Household.

All Patrons must use their Access Cards for entrance to the Amenity Facilities. Each Household will be authorized two (2) initial Access Cards free of charge after which a fee shall be charged for each additional Access Card in accordance with the Amenity Rates then in effect.

Patrons must scan their Access Cards in the card reader to gain access to the Amenities. This Access Card system provides a security and safety measure for Patrons and protects the Amenities from non-Patron entry. Under no circumstances shall a Patron provide their Access Card to another person, whether Patron or non-Patron, to allow access to the Amenities, and under no circumstances shall a Patron intentionally leave doors, gates, or other entrance barriers open to allow entry by non-Patrons
